*Page 27, 7.5.4*

Insert the following text after “where  $L$  is the distance from the reference point in the case of a fixed zero and  $L$  is the measured length in the case of a floating zero, and  $a > 0$  and  $b > 0$ ”:

“It is understood that  $c = a + L_1 \times b$  as shown in the example in Figure 11.”
